

Flashlight with focus and wide range
NIGHT HUNTER 02, 915 lm

Product price:

\$156.93

Product codes:

Reference: THH0132

Product features:

Product line: Tactical Line
Run time: 1 h 50 min
Light output [lm]: 915
Light source: Cree XM-L2 U2
Power: 3.7V 3400 mAh
Beam distance [m]: 391
Weight [g]: 231
Dimensions [mm]: 45 × 29 × 147 - 155
Designation: Hunter
Designation: Tactical
Designation: Outdoor
Type of power supply: Battery/accumulator
Light output: Battery CR123 / 18650
Type of lighting: Hand flashlights

Product description:

The Night Hunter's large reflector and lens work in tandem to throw a sharp beam for up to 391m, even while exploiting the light's wide flood function. Its 915 lms packs the power, depth and long range of a searchlight into a handheld or weapon mounted flashlight, making the Night Hunter a favorite with border patrols in over a dozen countries. The blinding beam disorientates opponents, giving you an edge in all confrontations. Available in both a rechargeable and battery version.
