

LED Rechargeable Flashlight with Powerbank Function

Product price:

\$30.59

Product codes:

Reference: PHH0123

Product features:

Product line: Professional Line
Run time: 2 h 30 min
Light output [lm]: 700
Light source: Cree XPL LED
Power: 7 4400 mAh
Beam distance [m]: 250
Weight [g]: 233
Dimensions [mm]: Ø 46 x 164
Designation: Industrialist
Type of power supply: Akumulatorowe
Light output: Dedykowany akumulator
Type of lighting - listing: Latarki ręczne

Product description:

Durable case and a reliable source of strong light – this, in a nutshell, is the Dura Light 2.3 flashlight, designed for professionals. Powered by a battery (4400 mAh), this model produces light with a maximum power of 700 lumens and can work for up to 30 hours in 10% mode. Shockproof and resistant to external factors (IPX7), it breaks through the darkness within a radius of up to 250 meters. The Dura 2.3 provides a reliable tool that is helpful in emergency situations, among others thanks to its safety tip, which allows you to break glass panes.
