Run time: 3 h\*  
Light output [lm]: 1200 + 200  
Light source: COB White LED  
Power: 4 V 750 mAh  
Weight [g]: 2000  
Dimensions [mm]: 1300 - 2060 x 77 x 135  
Designation: Industrialist  
Type of power supply: Accumulator  
Light output: Dedicated battery  
Type of lighting: Hand flashlights

### **Product description:**

A portable, professional lamp for illuminating the car's engine compartment. 1200 lm light illuminates the entire working area under the car's hood. The diffuser is made from shock-proof polycarbonate and protects the lamp from accidental mechanical damage. The lamp features a rotating holder that attaches to the car's hood. Its adjustable reach is from 1360 to 2060 cm. The holder's silicone grips protect the car's body from scratches. The IPX6 certified lamp is highly resistant to penetration. The set also includes a detachable hand-held flashlight rated at 250 lm. Comes with a 12V 2.5A charger.
