Product description:

The ergonomic pistol grip, fast recharging, and power bank function make the X-Pistol RC 02 a perfect choice, giving you the power of a searchlight with the maneuverability of a handheld flashlight. The sturdy aluminum body with a toughened plastic polymer makes it durable enough for border patrols, rescue services and tactical teams enduring extreme environments. The Cree™ LED provides a strong light beam of 600 lm with an impressive range of up to 700 meters. Zoom focus empowers you to target a distant point or floodlight a mobile command post.
