Type of lighting: Floodlights

Product description:

Twin-head, professional floodlight set for lighting events and rescue sites – now even more powerful. It provides 36 000 lms with a range of up to 150 m. It is available in two versions with varying battery capacity: 40 Ah and 50 Ah. The system features: a more powerful light, ready to go in under a minute, an option to operate in two planes, resistance to ambient conditions, a robust and easy to transport case and height adjustable masts.
