

Signal and emergency beacon flare,  
red

**Product price:**

**\$13.40**

**Product codes:**

Reference: L-F-12-RED

### **Product features:**

Product line: Professional Line

Run time: 60 h

Light output [lm]: 20

Power: 2 x D

Beam distance [m]: 200

Weight [g]: 500

Designation: House

Type of power supply: Battery

Light output: Battery R20

Type of lighting: Signal lights

### **Product description:**

First responders, firefighters, police, and soldiers have upgraded dangerous explosive pyrotechnic road flares with Mactronic's bright LED versions to ensure their safety on accidents sites and on temporary landing fields. 12 LEDs, protected by a rugged polycarbonate lens housed in a sturdy ABS body, give 360-degree visibility from road and air. An IPX4 water resistant rating tackles extreme environmental conditions for maximum visibility on every mission.
