

Rechargeable High Power Flashlight BLITZ K3, 3000 lm

Product price:

\$203.79

Product codes:

Reference: THS0021

Product features:

Product line: Tactical Line
Run time: do 25 h
Light output [lm]: 3000
Light source: 1 × Cree™ XHP WHITE LED
Power: 1 × 3.7V 5000 mAh Li-ion Accu
Charging time: 9 h
Beam distance [m]: 375
Weight [g]: 449 g
Dimensions [mm]: 62 × 172
Designation: Hunter
Designation: House
Designation: Industrialist
Designation: Tactical

Product description:

Blitz K3 produces a perfect light beam at 3,000 lumens. The flashlight uses a single XHP White LED and an “orange peel” reflector to generate a uniform light beam, without a hot spot. This all-rounder has a maximum reach of 375 m. 5 operating modes (Turbo, High, Medium, Low and Flashing) for selecting power and operating time that best suit your needs. The flashing mode can be used, for example, to mark the user’s position. Blitz K3 can work up to 25 hrs in the low power mode. One of its biggest advantages is the high waterproofness, confirmed with the IP67 standard. Blitz K3 weighs only 449 g (with the battery) and is 62 x 172 mm in size. The flashlight is available with a rechargeable, replaceable battery. The charging time is 8 hours. The flashlight sports a battery charge indicator and a ring protecting it from accidental activation and deactivation.
