- IPX4 RATING
- 1 m IMPACT RESISTANT
- ADVANCED DIMMING SYSTEM
- USB-C CHARGING
- SWITCH LOCK
- LAST SETTING MEMORY

Illuma headlamp offers three light modes: neutral white (430 lm), warm (195 lm), and red, with an Advanced Dimming System function to adjust the light intensity. Powered by a built-in 600 mAh Li-Po battery, it charges via USB-C and provides up to 3 hours of operation. With an IPX4 rating for rain protection and 1-meter drop resistance, it's built for durability. The headlamp features a switch lock function, last setting memory, and a battery level indicator. Equipped with an adjustable strap with reflective elements and silicone lining, it stays securely on a helmet or head, while a mounting clip allows attachment to a cap or workwear.
