IP65 RATING

1,5 m IMPACT RESISTANCE

USB-C CHARGING

Black Eye 650 is a compact tactical flashlight, ideal for law enforcement, hunters, and outdoor enthusiasts. It offers three constant light modes, as well as Strobe and SOS functions. With a powerful 650-lumen beam that can reach a distance of up to 250 meters, this flashlight is engineered for demanding missions. The flashlight comes packaged in a durable hard case and includes colored filters (red, green, and blue), a diffuser, a Picatinny mount, a holster, a rechargeable battery, and all necessary charging accessories. Its anodized aluminum body is IP65-rated for dust and water resistance and can withstand drops from up to 1,5 m. Powered by a 3350 mAh Li-Ion battery, the Black Eye 650 offers an impressive run time of up to 20 hours and 20 minutes on the LOW mode.
